Cup & Plate Competitions
for U9s to U14s

This year we are hosting our Twentieth Annual Tournament, and we would like to invite you to compete in our 5, 6 & 7 a-side tournament, which will be held at

The Mytchett Centre, Mytchett, Nr Camberley, Surrey, GU16 6AA.

We are pleased that our tournament has long been recognised as being one of the best organised and most enjoyable in the area. For 2012 we will be retaining many of the new features that proved so popular last year:

- All competitive age groups will have both a Cup and a Plate Competition, which will allow the majority of teams to participate in a knockout phase (subject to sufficient numbers of teams entering in each age group).
- Tournament extended again this year, to include under 6s and under 14s and a Disability competition **** email Geoff Butler for full details: geoff.butler@mytchettathletic.com
- U6s, U7s and U8s age groups will be a Festival format as recommended by the FA. This reflects the friendly nature of the game at these ages. All players at U6s, U7s and U8s will receive a plaque or medal.

And as usual we provide the following:

- BBQ selling only top quality butcher's meat, plus a tea & refreshments tent
- Experienced referees for all matches
- Extended 16ft wide goals to promote high goal scoring and more entertaining matches
- Individual trophies for players from all main competition winners & runners-up (for competitive age groups)
- Team Plate awards for the plate winners and runners-up (for competitive age groups)

The numbers of teams are limited per age group, so we will only reserve places on fully paid team entries and on a first received basis. Some age groups filled up early last year and we had to turn down many applications, so you are advised to submit your entry as soon as possible. The entry fee for this year's tournament is **£30.00** per team.
